

General Physics Corporation Virtual Instructor-Led Training (VILT) Webinar

Research Reveals Use of VILT Grew on Average by 25% in 2009

Elkridge, MD. May 13, 2010 - Global performance improvement solutions provider **General Physics Corporation** (GP), the operating subsidiary of GP Strategies Corporation (NYSE: GPX), will present a one-hour webinar called “**Virtual Instructor-Led Training: Strengths, Strategies and Solutions**” on Thursday, May 20, 2010, at 2:00 p.m. EDT.

According to a comprehensive study conducted by Training Industry, Inc. and General Physics Corporation (GP) of 114 companies, including 20 in the Fortune 500, use of **VILT** technology grew by 25% in 2009 and now is included in 27% of training. While adopting VILT can help reduce travel costs, only 20% of all respondents assessed their VILT courses as “very effective.”

Join us for this informative webinar as our expert speakers present practical industry information from VILT users and provide insight on how to make VILT effective within your organization. Webinar attendees will receive a copy of the research study called “Delivering Virtual Instructor-Led Training (VILT).”
