Announcing the 2022 Training Industry Top Training Companies Lists: Learning Services

RALEIGH, N.C. — April 7, 2022 — Training Industry today announced its selections for the 2022 Top Training Companies™ lists for the Learning Services sector of the learning and development (L&D) market. Training Industry, the leading research and information resource for corporate learning leaders, prepares the Training Industry Top 20 report on critical sectors of the corporate training marketplace to better inform professionals about the best and most innovative providers of training services and technologies.

Selection to the 2022 Training Industry Top Learning Services Companies lists was based on the following criteria:

- Breadth and quality of learning services offered.
- Industry visibility, innovation and impact in the learning services market.
- Client representation.
- Business performance and growth.

“We’re kicking off our new Learning Services category with an innovative group of organizations that provide all-around learning services. Our first Top 20 Learning Services award winners offer end-to-end and focused learning solutions with exceptional services to help create the best learning solution for any organization,” said Jessica Schue, market research analyst at Training Industry, Inc. “These companies offer comprehensive solutions to help the client organizations custom create their curated learning solution through content creation, learning technologies/strategies, administrative tools, delivery and more.”

“The companies chosen for our Learning Services Watch List also offer strong and capable solutions to meet the needs of the market,” said Tom Whelan, director of corporate research at Training Industry, Inc. “These providers represent innovative capabilities that provide their customers unique learning services that bolster their companies’ L&D capacity and effectiveness.”
