Selection to the 2022 Training Industry Top Assessment and Evaluation Companies lists was based on the following criteria:

- Breadth and quality of assessment capabilities and evaluation techniques.
- Industry visibility, innovation and impact in assessment and evaluation market.
- Client and user representation.
- Business performance and growth.

“The companies on this year’s Top 20 Assessment and Evaluation Companies List deliver high-quality tools and techniques to not only evaluate and improve employee performance but also create actionable insights for the business and employees,” said Jessica Schue, market research analyst at Training Industry, Inc. “Covering a wide range of assessment types, such as employee development, performance, knowledge retention, leadership potential and more through extensive research and proven insights, these organizations lead the assessment and evaluation market.”

“The companies chosen for this year’s Assessment and Evaluation Watch List offer unique research-supported tools and capabilities in their products and services,” said Tom Whelan, director of corporate research at Training Industry, Inc. “These companies provide reliable methods to guide and inform organizations’ training needs through validated assessments, evaluations and reporting and analytics services.”
