Announcing the 2023 Training Industry Top Training Companies Lists: Leadership Training

RALEIGH, N.C. — April 6, 2023 — Training Industry today announced its selections for the 2023 Top Training Companies™ lists for the Leadership Training sector of the corporate learning and development (L&D) market. Training Industry, the leading research and information resource for corporate learning leaders, prepares the Training Industry Top 20 report on critical sectors of the corporate training marketplace to better inform professionals about the best and most innovative providers of training services and technologies.

Selection to the 2023 Training Industry Top Leadership Training Companies lists was based on the following criteria:

- Breadth and quality of program and service offerings.
- Industry visibility, innovation and impact in the leadership training market.
- Client and customer representation.
- Business performance and growth.

“This year’s selections for our Top 20 Leadership Training companies list serve the learning needs of all types of leaders from front-line employees to executives,” said Jessica Schue, market research analyst at Training Industry, Inc. “As one of our most competitive and closely watched training sectors, the companies that make up this list strategically provide their learners with well-rounded offerings in leadership topics, such as agile leadership, women in leadership, conflict management and more. Along with many offerings, these organizations provide accurate and diverse metrics to help track learner engagement and reactions through assessments, ROI impact and more.”

“The unique and emerging companies chosen for this year’s Leadership Watchlist bring specialized leadership content from around the world,” said Tom Whelan, director of corporate research at Training Industry, Inc. “These companies bring a diverse set of training topics in different modalities, such as formal and live coaching, instructor-led courses, digital content both custom and off-the-shelf, simulations and more.”
